

## Shoe Box Story Box

Choose a well-known story. What are the features / characters in that story that make it well-known?

E.G. In Little Red Riding Hood there is a little girl, a scary wood with a wolf, a grandmother and her little cottage.

Use an old box (a shoe box / cereal box will do) to create a scene from that story.

You can draw/ paint a scene on paper and stick it in for your background. Use other bits of card or paper to make the characters in the book.
