Can you list how the incorrect words should have been spelt?

Uncover the Impostor Answers

SPaG Challenge 1

The yellow crewmate is the impostor.

Yellow is the impostor because all of the other words are synonyms for silly and perceptive means to be observant and sensitive.

SPaG Challenge 2

The red crewmate is the impostor.

Red is the impostor because most of the words need to end in -able, but incredible needs to end in -ible.

SPaG Challenge 3

The orange crewmate is the impostor.

Orange is the impostor because in that sentence the word 'record' is used as a verb and in all of the other sentences it is used as a noun.

SPaG Challenge 4

The green crewmate is the impostor.

Green is the impostor because in all of the other sentences a homophone has been used incorrectly. In the green crewmate's sentence, the word 'cereal' has been used correctly.
