Instructions

Questions and Answers

In this booklet, there are different types of question for you to answer in different ways.

Some questions do not need any writing at all. You may need to tick, draw lines, underline or circle to show your answer.

For other questions, you may need to write a word, a few words or a sentence or two.

Read all the instructions carefully so that you know how to answer each question.

Marks

At the side of the page, next to each question, is a circle. Under the circle, the number of marks available for that question is shown.
