## What is Islam?

People who follow the Islam faith are called Muslims.

Allah is the name Muslims use for their God.

Muhammad is seen as the founder of Islam.

Muhammad is so well respected by Muslims that they say "peace be upon him" after his name is spoken.

Before Muhammad, Allah had already sent several prophets (messengers).

**Where was Islam founded?**

**Islam was founded in Saudi Arabia.**

## What do Muslims believe?

Muslims have 6 main beliefs.

The key belief:

There is only one God. He is called Allah and he is the only ruler of the universe.

**Belief in Allah as the one and only God.**

**Belief in angels**

**Belief in the  
holy books**

**Belief in prophets  
& that Muhammad was  
the final one.**

**Belief in the day of judgement**  
(the day when Allah decides if you go  
to heaven or hell)

**Belief in predestination**  
(that Allah has already planned out  
what will happen.)
