

High jump

What you need: Lots of cushions

How to play:

- Be sure to play in a safe space clear of other objects.
- Warm up by jogging on the spot for 1 minute, 10 star jumps and 10 squats.
- Place one cushion on the floor and practise jumping over it. Be sure to bend your knees as you jump and land.
- Add another cushion to the pile and jump over both of them. Swing your arms forwards and up as you jump to help you get height.
- Continue to add cushions as you clear the jump.
- You may need to introduce a run up as the pile gets higher.

How many cushions can you jump?
