

### **Possible answers**

1. Danny is finding it hard to concentrate on his homework because he is worried about his dad.
2. He decides to go to bed, because he couldn't concentrate on his homework.
3. He wakes up and realises his dad is missing, when he promised he'd be back by 10.30pm.
4. First dilemma: What should he do? Stay in bed and wait or get up?  
He decides to get up and get dressed, but doesn't really have the right coloured clothing.
5. Second dilemma: It's a long way (six and a half miles). Should he take the Baby Austin, phone someone for help, walk, stay where he is?
