

Evidence!

How do we record what happens today?

How do we know what is going on elsewhere in the world?

How will people in the future learn about how we live?

LO: To examine historical sources and understand how we use them to learn about the past

Sources of Evidence

What is a source?

Something we can get information from.

How did the Ancient Greeks record evidence of their lives?

LO: To examine historical sources and understand how we use them to learn about the past

We know about the Greeks from:

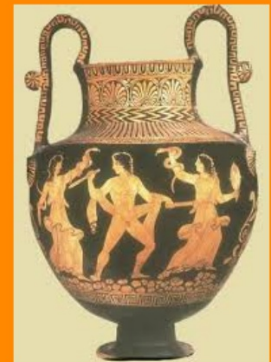

buildings

frescos

Statues

vases

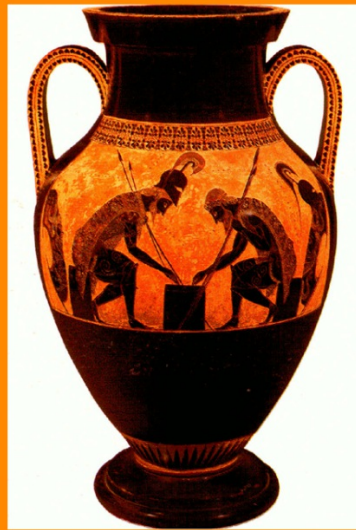

coins

Archaeologists have dug up many Greek artefacts and have even found wrecks of Greek ships and their cargos!

Pots came in different shapes and sizes and showed everyday life in Ancient Greece.

LO: To examine historical sources and understand how we use them to learn about the past

What can you see?

What do you think is happening?

What do you want to find out?

LO: To examine historical sources and understand how we use them to learn about the past

What was learnt
at school?

Who went to
school in Ancient
Greek times?

LO: To examine historical sources and understand how we use them to learn about the past

What can you see on this vase?

People are waving sticks at a tree and small black round things are falling off the tree.

What do you learn about the ancient Greeks from the pictures on the vase?

They were farmers and they farmed olives.
