

Why was Greek Theatre so important?

Plays were performed to honor me, Dionysus.

I was the God of _____
and _____.

Miss Wilson and Mrs
Collis like Dionysus!

In the middle of the circle was an alter dedicated to Dionysus.

Why were the seats raised?

Who did you think sat near the front?

What was it like?

Only men were allowed to act.

The audience threw food and stones if they thought the play wasn't good enough!

You could see if someone was happy or sad because of the shape of their mouth.

Why do you think the mouths were big?

Actors wore masks. They wore bright colours for comedy and dark colours for tragedies.

You had to change your mask for every character.

If you were pretending to me a woman, your mask had to look like one!

L.O: To understand why Ancient Greek theatre was important

The Ancient Greeks invented theatre!
