

# Plane in flight

**What you need:** A sheet of newspaper, an A4 sheet of paper, a pen, masking tape, scissors and an adult to help you cut.

## How to play:

- Draw circles of different sizes on the sheet of newspaper. Then ask an adult to help you cut them out.
- Make a paper aeroplane with the A4 paper (have fun finding how to make this on the internet).
- Tape your newspaper so that it hangs in a doorway and name each of the holes after a country.
- Stand 3m away and throw your aeroplane so that it travels through every country.

## What countries will you visit?
