

# Shadow tag

**What you need:** A sunny day, two plus players, two socks (optional)

## How to play:

- First, find your shadow. Change direction and explore the effect it has on your shadow. Discuss with a family member how the angle of your shadow is effected by the location of the sun.
- Try chasing your own shadow.
- Select one player to begin as the tagger. They tag other players by stepping on their shadow. Once caught players change roles.
- Playing with just two players? First to three tags wins that round. First to win 5 rounds wins the game.
- Change the game by allowing players to throw socks at the shadow instead of stepping on them.

**Can you catch a shadow?**
