

## Steps to Success

1. Action one – create a heading at the top of your page. This needs to be the name of your hotel. Make it sound luxurious.
2. Action two – create a sub-heading for a paragraph about family activities in your resort – it must use alliteration.
3. Sentence one must include a rhetorical question to draw in the reader.
4. Sentence two must include an apostrophe for possession.
5. Sentence three must include fronted adverbial of time. (Followed by a comma)
6. Sentence four must include the rule of three to make your information memorable.
7. Sentence five must include a fronted adverbial of degrees of possibility (followed by a comma) and some repetition to reinforce the message.
8. Sentence six must use emotive language to make the reader feel a strong emotion.
