

# Mr Whoops Statutory Spellings Activity

Mr Whoops is a little bit clumsy...OK, OK, he's a lot clumsy! Even though he's really trying hard with his writing, he's still accidentally misspelt 13 of his Y5/Y6 key spelling words. Can you spot his mistakes?

Highlight them in the passage of text.

Could you then correct the words at the bottom of the sheet and create a list for Mr. Whoops to practise?

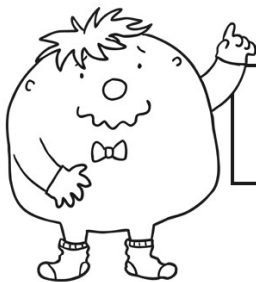

Recently, I have made a conscious decision to learn a foreign language.

I visited my local book shop and searched for the Japanese category - I've always wanted to visit Tokyo! There were many phrase books available and also treated myself to a bargain Japanese dictionary. The Japanese program I invested in comes with a guarantee to have me fluent within just forty days, but at the moment I am finding the pronunciation of the Japanese words very challenging. Sometimes I have felt like giving up but I'm a determined individual so I have kept going! I really would love to equip myself with the skills to go to Tokyo and talk fluently with the local people.

Mr. Whoops needs to practise these words:

|       |       |       |
|-------|-------|-------|
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |
|       | _____ |       |

Oooooo...did I not spell these correctly? Whoops!
