

HARRY POTTER

POTIONS MASTER

In *Harry Potter and the Philosopher's Stone*, Harry and his school friends are in Professor Snape's Potions class. Snape tells the class that potion-making is a subtle science and an exact art. In their first lesson, they have to make a potion to cure boils, a potion whose ingredients include dried nettles, crushed snake fang and stewed horned slugs.

Invent your own potion below, listing its ingredients and explaining its powers.
