Success Criteria for a recount

Features		General SPAG Features	
I have written in past tense		I have started every sentence with a capital letter.	
I have written in chronological order		I have used capital letters for proper nouns	
I have written from one person's view point (first or third)		I have used possessive apostrophes to show who things belong to.	
I have used paragraphs for different periods of time		I have used conjunctions in my writing	
I have started some sentences with time adverbs		I have proof read my work and edited where appropriate including checking spellings.	
I have used some present perfect tense		My writing is joined neatly.	
I have added detail to make my recount interesting
