"The Cup Song" Instructions

For this technique you need a plastic cup (red solo cups work well but any plastic cup will do). It sounds the best if you do it on a surface with fabric on it.

1. Start with the cup sitting upside down on the table.
2. Clap your hands 2 times.
3. Hit the bottom of the cup 3 times (Right, Left, Right).
4. Clap your hands 1 time
5. Pick up the cup and set it down.
6. Clap your hands 1 time.
7. Turn your left hand over to pick the cup up.
8. Hit the top of the cup with your right hand.
9. Hit the bottom edge of the cup onto the table.
10. Switch the cup from your left hand to your right hand.
11. Tap the table with your free left hand.
12. Place the cup down with your right hand.

Repeat until the song is over.
