With staggered start times, Mr Ross has been able to offer lunchtime sports clubs around the serving of lunches and therefore more children have been able to participate in the training and games. Many thanks to all those children who have helped coach, guide and support the activities, with many helping develop the sporting environment.

Congratulations to every single child who has represented the school in any of the sporting events that have been held during the Autumn Term; the school is extremely proud of your effort and desire to do your best for the school and your team mates. One of the standout performances has been from the Sportshall Athletics team; their togetherness and support for one another has seen them reach the Sheffield Finals in the New Year and we look forward to seeing how the school can continue to build on this strong team approach.

A huge thank you also goes to the parents and guardians who have come and supported throughout this last term. The children hugely appreciate the support shown and we look forward to getting more children involved in events during 2025. Have a wonderful break and we hope you enjoy the family time over the festive holidays.
