## Home Learning Books

Dear Parents & Carers,

In September, we let you know about the paper-based home learning tasks that school provides, which was adopted in response to parental feedback regarding how home learning is organised and presented. The children have used these books for the Autumn Term and will continue to use them for the Spring and Summer terms. Each child has a book focused upon Spelling, Punctuation and Grammar, Reading and Maths.

All children are provided with these books, so that every child can access the resources. However, we would appreciate your financial support if you feel you are able. Some parents have been able to make this contribution already – and we would like to thank you for this support. All contributions towards these home learning books allow school to budget funds to support other areas of learning for the children.

The books cost £7.25 per child for the school to purchase. We would appreciate a **voluntary contribution of £5 for the books** and thank the parents who have already made this payment. This has been set up on your ParentPay account and, **if you have not already been able to make this contribution since September, it would be greatly appreciated if you could do so in the coming weeks.**

Many thanks,

Paul Harrison  
Assistant Headteacher
