

**L.O: To use sources of evidence to deduce information about the past**

**What Was It Like To Live Through The Blitz?**

1. What are they doing and what is happening around that person?
2. What can they see? What sounds might they be able to hear? Smell? Feel?
3. What negative emotions might they be feeling? How can you tell? Why might they be feeling that?
4. What positive emotions might they be feeling? How can you tell? Why might they be feeling that?
5. What questions might the person have?
