William Morris – The Style

- William Morris is very famous for his wallpaper designs. He created some beautiful designs, the likes of which had never been used before. In fact, wallpaper before his day was quite plain.
- William Morris, who was also an environmental campaigner, created designs of floral patterns (patterns inspired by flowers and plants) which were repeated many times by block printing.

William Morris – The Technique

- What William Morris did was to make designs of floral patterns that could be repeated many times by block printing techniques on large pieces of paper to make patterned wallpaper.
