Sheffield
City Council

Welcome to the **CU Festival of Fun 2020!** A programme of **FREE** activities for children, young people and families, that spans the whole summer - school holidays sorted!

To ensure social distancing is maintained, most of our activities are home-based while others are self-guided walks and trails. All activities require supervision by an adult. There are over 75 activities to choose from - some have limited spaces and require booking, some are open to all South Yorkshire CU members (see below) so check the information carefully.

Booking opens on 10th July.

All activities are suitable for children and young people with special educational needs and disabilities (SEND) with adult support. Contact the Learning Destination to discuss your child's needs.

Collect 1 CU credit per activity in your Passport to Learning. **To claim your CU credits...**

- Complete the CU Festival of Fun Learning Reflection Diary (at the back of the programme or download it from <https://bit.ly/CUFestivalofFunReflectionDiary>)
- You **MUST** include your Passport to Learning number (found on the first page) to claim credits. Don't worry if you don't yet have a Passport to Learning. Just pop along to your local library (once they're open again) and buy one for £3.50. Then add the number to your reflection diary. Contact us if you find it difficult to buy a Passport so we can help!
- Once complete, email your reflection diary to CU@sheffield.gov.uk by **21st Dec 2020**

Some activities are only open to children normally attending Sheffield schools, while others are open to members of any South Yorkshire Children's University. See the programme for details. Families beyond Sheffield: Contact your local CU for details of how to claim your CU credits.
