In year 3 we had Mrs Taylor for our teacher and she introduced us to the school and I had a great first year! I really enjoyed us to learn and writing.

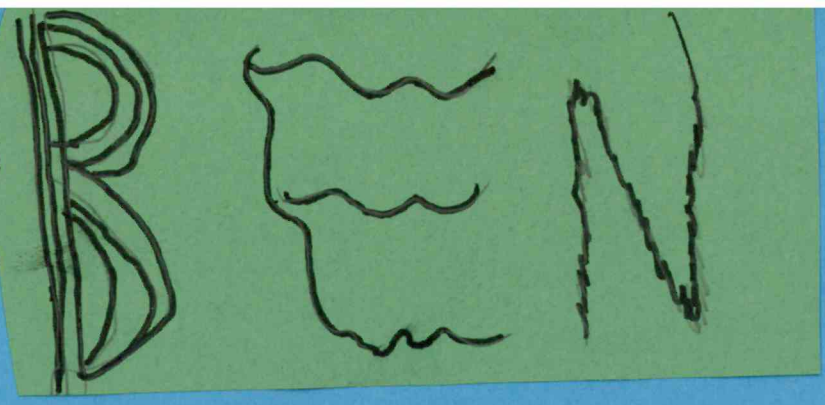

Year 4 was one of my best years and my favourite res. I did (the books) was probably the highlight of the year. The picture acting was a highlight. In the school play I was a horse. Despite my lack of acting skills I didn't enjoy it.

## My favourite memories

In Year 5 we sewed planets together and then sewed them onto a background of a blue piece of felt as part of our work on the Planets. It was really fun doing this as I like sewing.

Another was when in Year 6 we tested the growth of mould on bread for our science project. I could never forget that project as everyday when I went to my seat in the class (for almost six weeks) I would see the mould growing on the bread. As the mould grew the bread almost disappeared and boy if you were near it you could pass out from the smell. Luckily none of us spent too long near the rotting bread but it was very interesting. Lastly, I loved cake day which happened once every three weeks in Year 6. Everyone made delicious cakes and we all chomped them down as soon as we got our slices.

## The lessons I found the most interesting

I found my maths lessons interesting because they were fun to do and they were challenging so you really had to focus and once you had completed it you felt really good. Also I really liked my lessons with Mrs Dawson and Ms Fear because I could just focus without any distractions and I really enjoyed the work and learned a lot.

## My favourite events or trips

One my favourite trips was in Year 4 when we went to the Oaks Field Centre. It was a good time of year to go as it seemed to be sunny on most days. I loved it because we got lots of great food and we got to play loads of fun activities like ; archery, hide and seek and the mudder although this was freezing cold and muddy! After all the activities my team and I got some of the tastiest hot chocolate you could ever taste .Another was when we went to Condoover hall because i got to play laser tag and I also got to have great food. It was a lot like the Oaks but you got to stay for 5 days instead of 2 and I had a great experience there.

## My best sporting achievement

One of my best achievements in sports was in football when my team and I got second place against the toughest teams in the whole of South Yorkshire although we never conceded a single game we came second on points which was a bit disappointing but we played exceedingly well.

*I am looking forward to Silverdale, but will always miss Dobcroft. My time at Dobcroft Juniors was special and this is some of the things I will remember :*

*Y6-This was a great year. It was great being around the funny Mr Harrison; our teacher. I loved the debates on the jam and cream scones; which came first. (cream first). We visited the Yorkshire wildlife park in torrential weather, even the animals thought it was too wet to make an appearance. We also cleaned up at the inter-school swimming competition.*

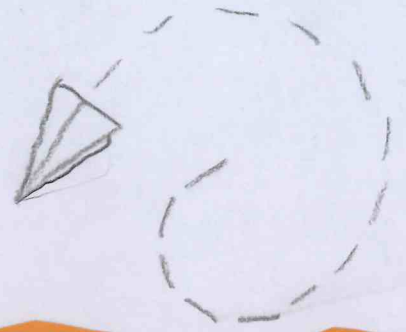

*Y5-We went to Condoover and climbed to dizzying heights, only to jump off, which was brilliant. We also learned how to draw in the style of Pete McKee, after he visited our school. My teachers were Ms Harrison and Miss Winters.*

*Y4-This was the year we went to the Oakes, which was awesome. The obstacle course was crazy. We had so much fun earning hot cocoa. My teacher was Miss Jagger.*

*Y3-This was the first year of junior school. Moving up was exciting, but a little scary as the Y6's seemed huge. My teacher was Miss Collis and Miss Conroy.*

## AYAAN MALIK – MY TIME IN DOBCROFT SCHOOL

I started Dobcroft School from Reception and have gone through to Year 6. I am now leaving to go onto Secondary School.

During my time in Dobcroft School, I have learnt so much and have grown a lot. This is because the teachers in the school and all the assistant staff try so hard to care for and to help every child learn.

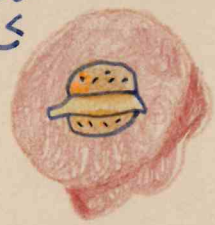

My favourite memories of Dobcroft School are

- 1) Learning through play in the Reception class because by doing things and trying new things out, this helped me to learn quicker and to take on challenges and know that if I try hard I can do well.
- 2) In Year 1 and 2, we started to do more formal learning and to solve problems more in groups and on our own. At first moving from learning through play to more formal learning was hard but I eventually got the hang of it and began to enjoy the more formal learning to.
- 3) In Year 3, we went to Castleton and stayed over. We learnt about being a team and helping each other to sort out challenges. The 6 hike was hard but great and the mystery activities were great as well, with problems we had to solve as a team. We had to be creative to help each other get over problems and this helped us to see that problems can be sorted by thinking out of the box.
- 4) In Year 4, we went to The Oaks in Norton and we did a lot of outdoor activities, we did archery, obstacle courses, we swam through mud which was brilliant, we played dodgeball, did abseiling, we ate lots of nice food and we spoke about doing things in our life that are right and to not do wrong, which was very important to do. I liked being with my friends there and the challenges we did.
- 5) In Year 5, we went as a class to Condover in Shropshire and we were split up into groups. This was an activity centre. We did sports on the sports pitches and sports indoors, we did kayaking and swam in the swimming pool. It was in an old Elizabethan Hall, that was in lovely grounds. We did a cricket tournament. I played batting, bowling and fielding. We played older children and we did really for our school which made me proud.
- 6) In Year 6, we worked towards our SATs. I loved learning about Tropical Rain Forests and we built a forest which was great. We also did LIFEWISE which taught us a lot about making the right choices and keeping safe. We had a trip planned to go to Paris, but because of COVID-19 we had to cancel, which was so disappointing. I was looking forward to going through the Euro-Tunnel and to learn about and explore Paris without teachers and friends but we never got there which is sad.

In Dobcroft School we learnt lots of good things.

Y3

My friend Oliver put  
drugs instead of drinks and  
we went to Castleton and  
went on a 3 hour walk.

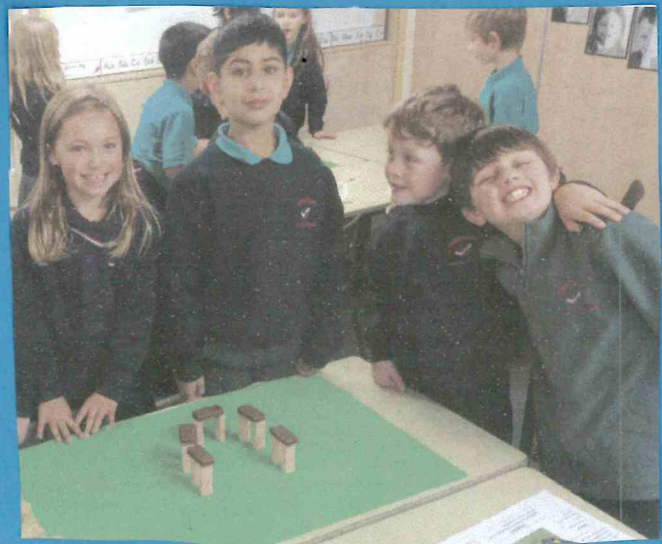

Y4

We did a pizza challenge  
when you make your own  
pizza. We went to the  
Oaks and we had a Roman  
day.

Y6

We went to the  
Yorkshire wildlife  
park and I got into  
the South Yorkshire  
Finals in athletics

Y3-Y6

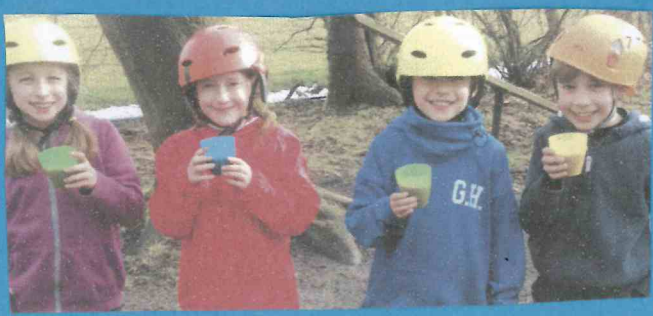

Thank you to all my friends and teachers for helping me through school.

One of my most favourite moments was when we were in condover and we were driving suitcases all over our dorm.

One of my scariest moments was when I was in condover and there was a wasp nest in our room.

The sunniest moment was when Lola got stuck in the climbing frame and had to get the fire sighters to get her out.

Another sunny memory was when curys drew on her face to make it look like makeup.

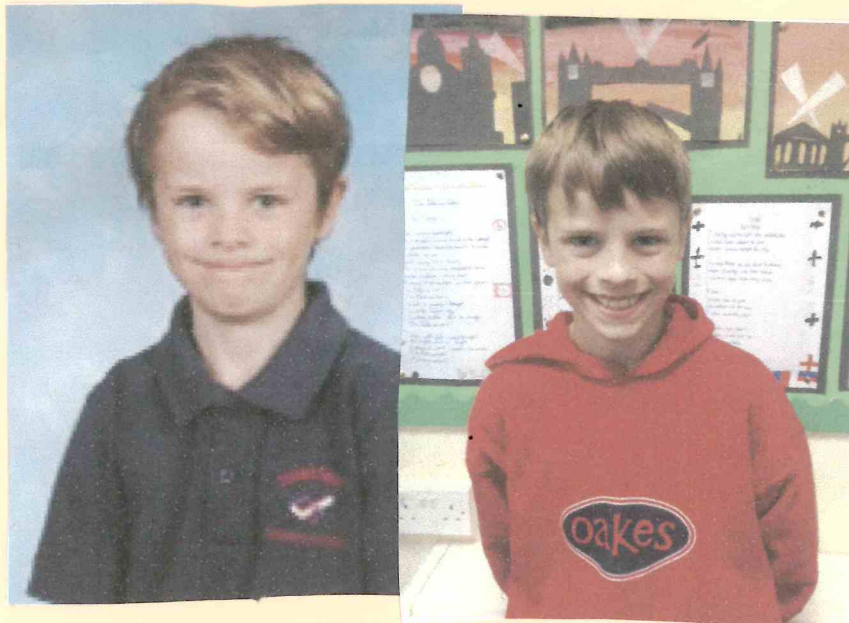

My greatest achievements are getting the warrilow trophy and getting headteachers award.

# Rhys Y3 - Y6

Thankyou to all of  
my teachers teachers  
that have made Dolerost  
Welcoming.

Thankyou to all  
of my ~~my~~ friends  
for being very supportive.

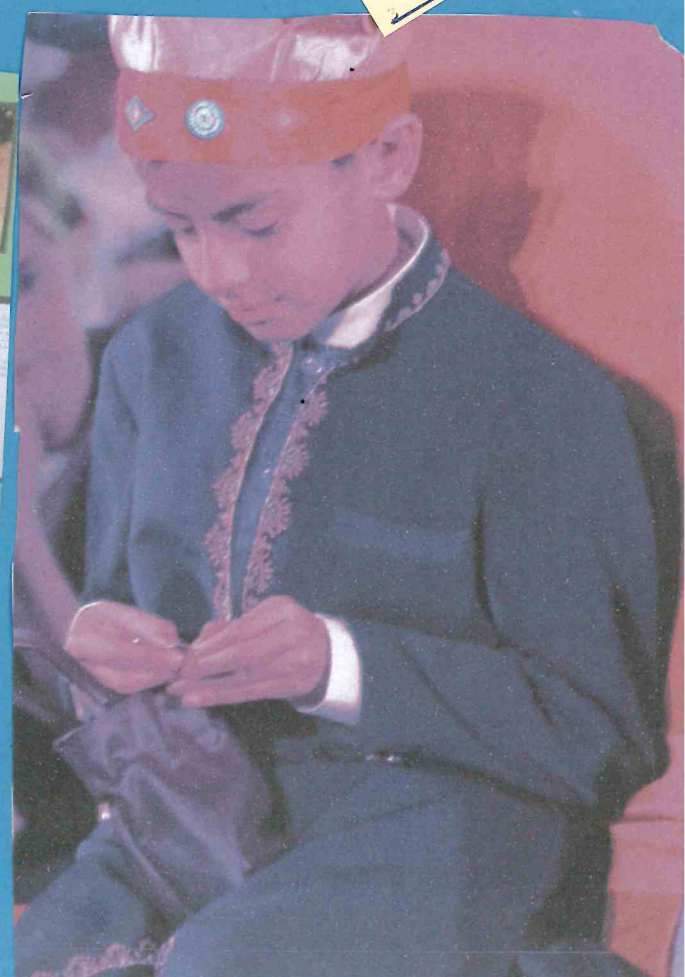

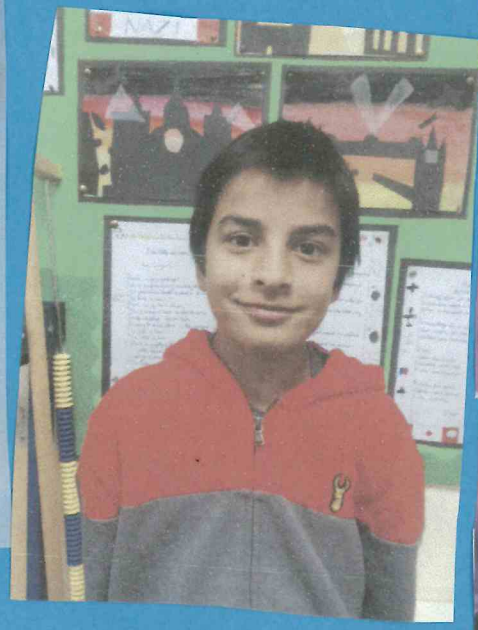

Y3 - Y6

YAHYA

Thank you to all my friends for being supportive and helpful.

My greatest achievement is two headteacher award.

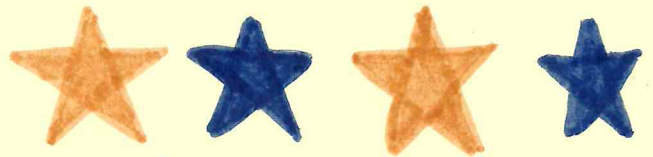

My funniest moment is I ~~of the~~ <sup>don't</sup> madder when I want to do it

# Sofia

Throughout Infants and up to year six I have kept two of my best friends, but at when it I was in Y4 I made a new best friend. We have been BFF's since then.

My BFF's

In year 3, my teacher was Miss Wilson. She was a great teacher and helped me find my confidence.

## My Teachers

- Y3 - Miss Wilson
- Y4 - Mrs Amelby
- Y5 - Miss Field
- Y6 - Mrs Conroy & Miss Taylor

Year 6 was one of my favourite years. I will really miss all the staff in Dobcroft, when I leave. I am going to come visit as much as I can. Even though the Paris trip was canceled (due to the coronavirus pandemic) I still really enjoyed Y6.

# Callie

Goodbye  
Dobcroft!

## Memories of Y3

Thank you Miss Wilson for being such a caring, supportive teacher when I was in Y3 and for all the netball coaching. I will miss you when I leave and when you go to Thailand.

## Memories of Y4

Although you don't work at Dobcroft anymore, I will always thank you, Mrs Axelby, for taking care of me when I was nervous to start Y4 and for being a great teacher. I will miss you when I leave.

## Memories of Y5

Thank you Miss Field for being an brilliant teacher and giving great hugs. I'll miss you lots when I go to Silverdale.

## Memories of Y6

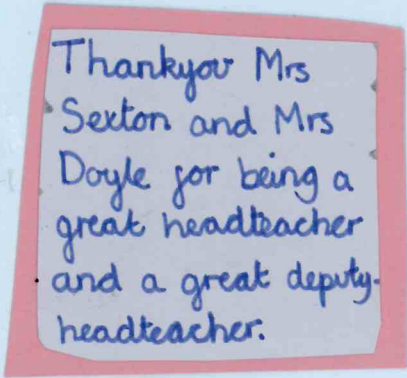

Thankyou Mrs Conroy and Miss Taylor for being amazing teachers all throughout Y6 and thankyou especially Mrs Conroy for teaching me and helping through this time. I will miss you both lots.

Me and my best friends ♡

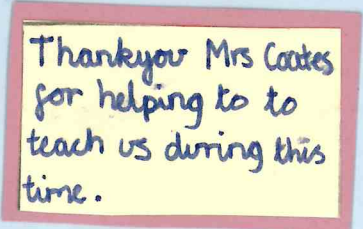

Thankyou Miss Powell for coaching netball and athletics, for our P.E lessons and for organising all the sports events.

Thankyou Mrs Sexton and Mrs Doyle for being a great headteacher and a great deputy-headteacher.

Thankyou Mrs Kirk for teaching us during this tough time. I have learnt a lot from you.

Thankyou Mrs Cookes for helping to to teach us during this time.

14

In Y4 we swapped our classes it was nervous but in the end I really enjoyed it. Our teacher was miss Kelly she was really nice. we also went to the Oaks

# MATTHEW WIFFEN

In Year 3 it was my first Year getting use to the school and the routine also it was my first residential.

Miss Axelbe

In Year 4 we switched up classes and I found it a really good chance to make new friends.

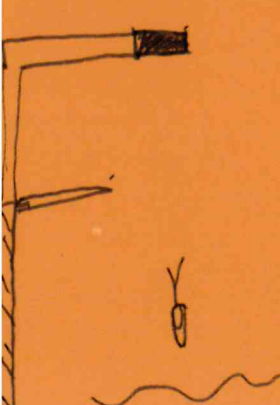

Miss Feild

The best part in Year 5 was condoverer and the space dome.

Miss Taylor & Miss Conway

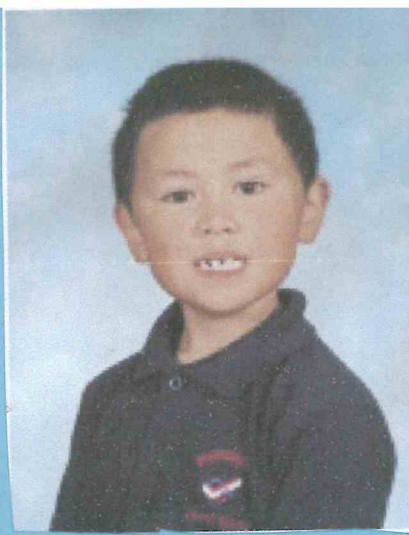

My favorite part of Y6 was the 'bug sucking' activity where we sucked up bugs to study them.

# LUCAS

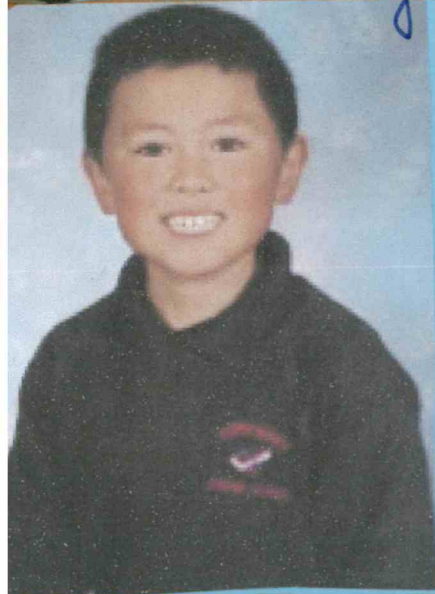

## Year 3

In Y3, I had my first residential and it was one of the highlights of the year. I was in Y3T but ended up having 3 or 4 teachers. Also I liked Stone Age day

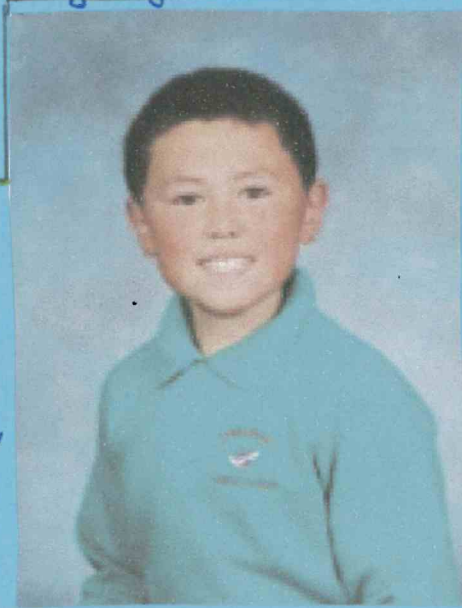

## Year 4

In Y4, we all swapped classes. I made many new friends. We had Miss Axelby who was very kind. Also ~~also~~ we went to the Oakes for 2 nights (it was very fun).

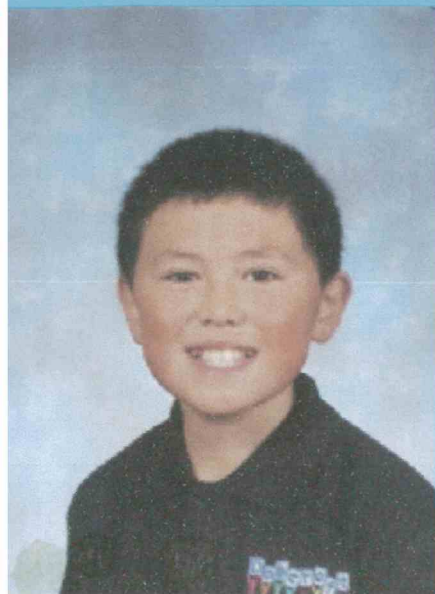

## Year 5

In Y5, we had Miss Field. My favourite thing was going to Condover Hall. Also, I learnt how to do long division

## Year 6

In Y6, I have had Miss Taylor and Mrs Conway. I have learnt a lot about WW2 and maybe my highlight was going to aerial crew. It was disappointing not having going to Kingswood but it has been a really fun year (not counting missed out days).

# Carter B

my best memory in yrs  
was practicing for earthquake  
mid way through a lesson.

The dance  
the trip was great

my favorite  
part of year 2  
is I went into  
cornerstone  
which helped me

that I almost  
got a year  
holiday  
not that great.

they were all great  
year throughout  
doberost

# C H A R L I E !

Y3. In year 3, we went on our first residential - castleton. It was our first year so I was nervous and our teachers were called Mrs Collis and Mrs Conroy. They were very nice and we learnt all about the stone age for our topic.

Y4. In year 4, it was very different because we switched classes I was very happy with who I was with because I got most of my friends. our new teacher was new which was always also different and her name was called Miss Axvelley and she was very nice. our topic was the Romans and I remember making a big shield!

Y5. In year 5, we had Miss Field our topic was space, at the start of the year then we learnt about the mayas. Miss Clarke (teacher assistant) also taught us and we went on a school trip called ~~cast~~ conderover which was about 4 days long and there was lots of amazing activities.

Y6. In year six, we had Mrs Conroy and Miss Taylor, they are really nice and our main topic was Rainforests followed by world war two. Due to Corona Virus, SATS was cancelled along with a lot of other things. I was also made a Sports leader and a house captain.

# SADIE!!!

**Y3** In year 3 it was our first time in the Juniors it was ~~scary~~ scary at first but over time I really enjoyed it. Also, I had my first residential at castle and I really enjoyed it. I was in Y3T but ended up having 3 or 4 teachers.

**Y4** In year 4, we all swapped class and I really liked my new class we also went to oaks which was probably one of the best. Also, we had a new teacher called Mrs Axibely who also left after the year.

**Y5** In year 5, our teacher was Mrs Field she gave great hugs. Also in Y5, we went to Condover which was basically a longer version of oaks and there were 16 people in my dorm it was really nice.

**Y6** In year 6, coronavirus happened then we had to home school and not go outside for about 2 or 3 months and I got really sick of my sisters but when we came back to school it was really fun I have really enjoyed it.

Y3 - Y6

In year 4 we went on a residential called the Oakes. It was my favourite residential. Also we had a roman day where learned about the romans.

In Y3 we went to castles which I was great and we got to find rocks. I found one that was I goldy colour.

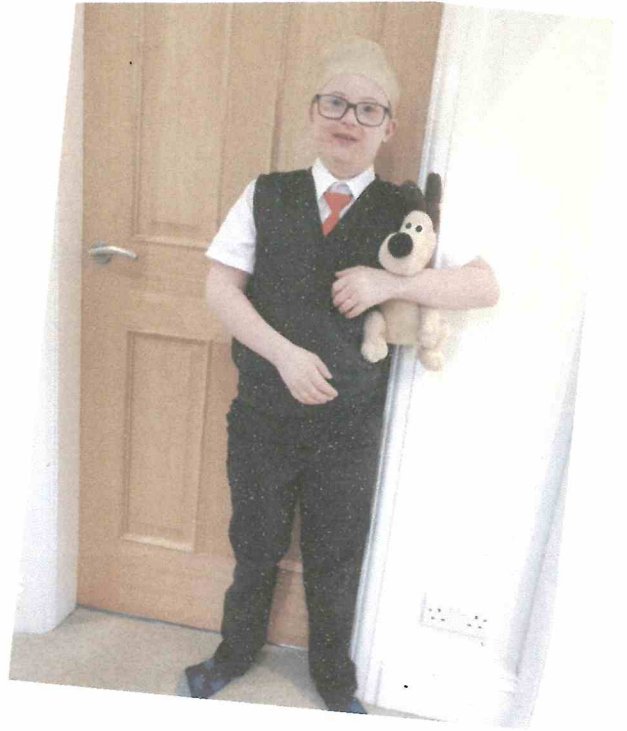

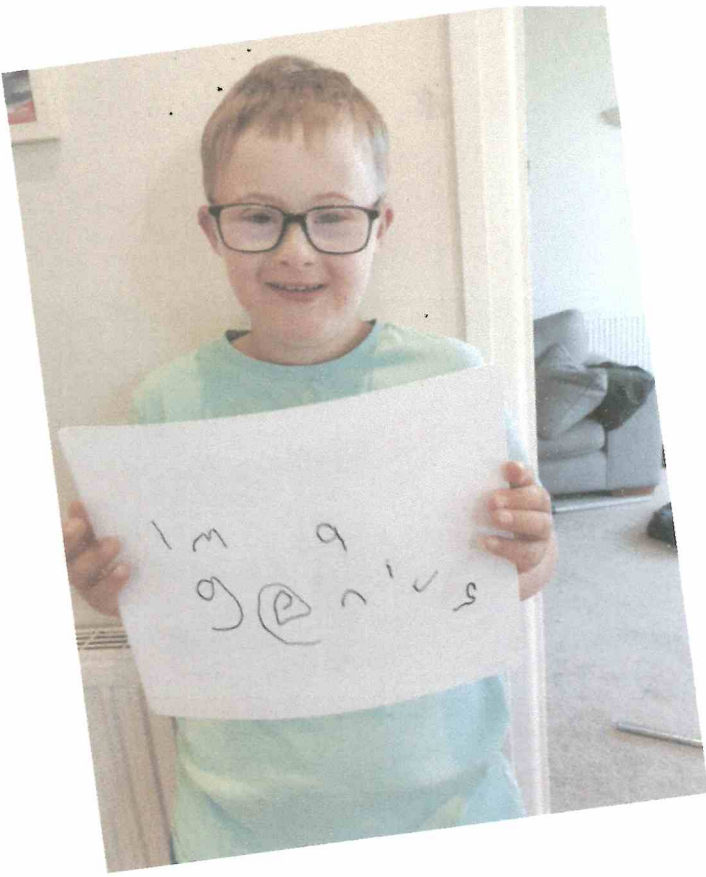

In Y6 we got to the South Yorkshire finals but it was cancelled because of Corona virus.

My favourite things to do are Competing in Football and athletics Tournaments.

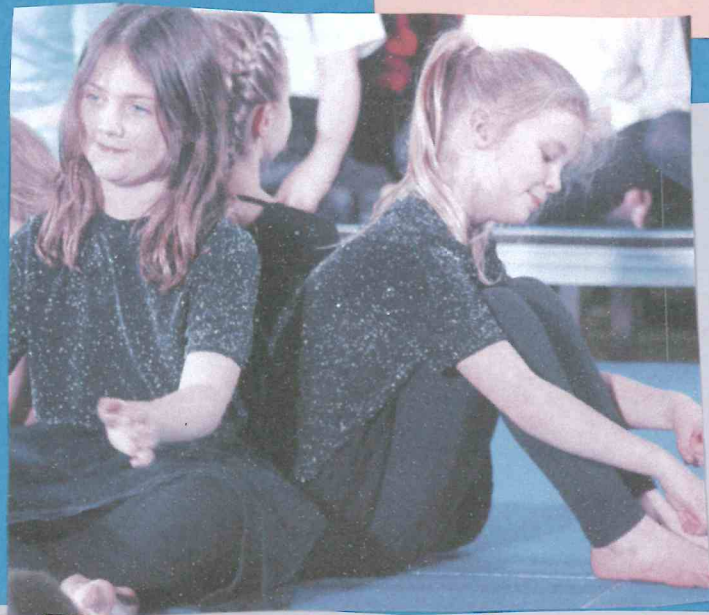

In Y5 we went to condover. Also at cross country we won every trophy and we came 2 in a Football tournament.

Lucas Zuccolo

J E S S

My favourite memory was 3,4,5,6 charity day and Sports day and roman day

My funnest memory was when my freind on a residential slept walked to my freinds bed and got her cover and got in her bed.

My happiest memory was playing with freinds, hanging out with the Teachers, All of the residencials.
