

WAGOLL

Lesson 2 - to record observations and use them to design a sculpture

The border of my tile will have:

Curving clay in a wiggly pattern.

Plaiting clay to create a pattern.

A pattern created by mark-making with clay tool.

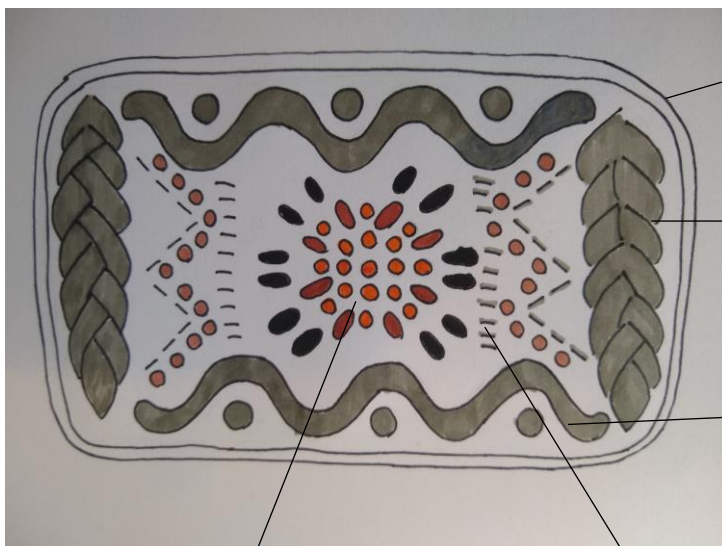

The main pattern of my tile will have:

A symmetrical design in the middle.

Dried beans and lentils creating a pattern similar to the shape of a flower.

My Design

Clay made into the shape of an ice cream lid.

Plaits made with clay.

Curvy pattern made with clay.

Dried beans, lentils and chickpeas in a 'flower shape'.

Marks made in the clay made by a tool or a toothpick.
