

**Slowly and powerfully**, the SBAD stretched out its wings. The spikes **on** its head glinted like knives **in** the moonlight. **As** the beast rose majestically, the earth trembled and shook. The knobbly scales **over** its back ran the full length of its body and created a layer of armour over its pitch black skin. The beast's golden yellow eyes darted **quickly around** its surroundings and its whip like tongue poised, ready to strike.
