

**LO: To identify the audience and purpose of non-chronological reports**

**Cut and stick the correct paragraph in the correct box.**

**Purpose**

The purpose of the text is to inform readers about the stages of human life from a baby all the way to old age and what happens during each stage.

The purpose of the text is to inform readers about four famous sci-fi authors and the books they have written.

The purpose of the text is to inform readers about baby animals and how different types of animals have babies in different ways.

The purpose of the text is to inform readers about what lightning storms are and how they happen.

**Audience**

The audience of the text is year 6 and teenagers who enjoy reading sci-fi books and want to know more about famous authors. I know this because there are not many pictures suggesting that it is an older audience but not adults because the language is not challenging enough.

The audience of the text is teenagers who want to know about the stages of human life. I know this because there is not a lot of pictures and there is quite a lot of writing suggesting its not primary school age children. It is easy enough for teenagers to understand without getting too bored.

The audience of the text is young children up to around 6 years old. I think this because it is colourful, easy to read and there are lots of pictures to engage the children. There are also a few interactive questions on the sheet to keep the interest of the child.

The audience of the text is young children perhaps for year 3/4. I think this because there are lots of colourful pictures and there is a bit of writing that younger children might not understand.
