

Snowman Christmas Card

You will need:

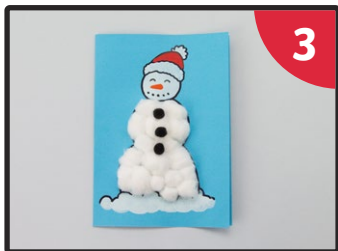

- Snowman Template
- Cotton wool
- Brown pipe cleaners
- White glue
- Coloured card (A4)
- Felt-tip pens
- Black pom-poms

In preparation, print the snowman template onto coloured card and cut out.

Next, colour in the snowman and hat using either paint or felt-tip pens.

Then, decorate the snowman's body! To do this, spread glue all over the body of the snowman template then attach pieces of cotton wool. You could also stick pom-poms on for the snowman's buttons!

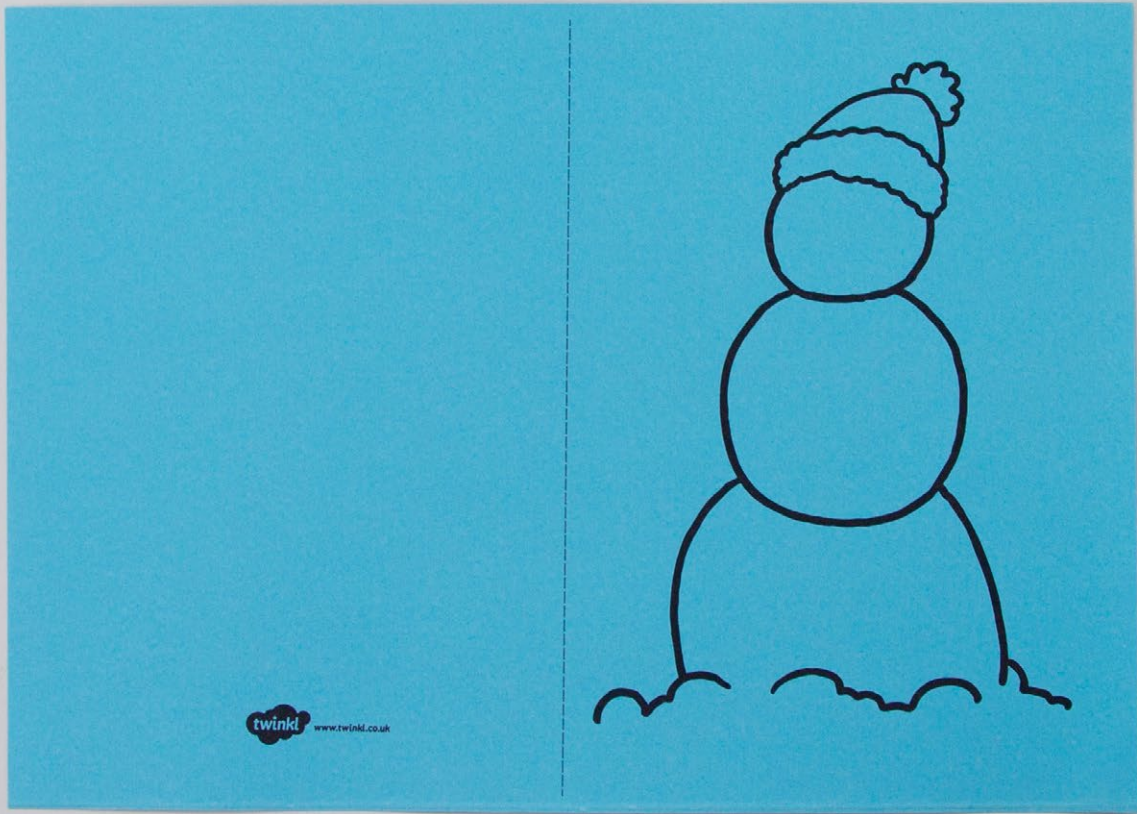

For the snowman's arms, take two pipe cleaners and spread glue onto them. Position the pipe cleaners onto the card and press down firmly. Leave to dry.
