

Change it

What you need: someone to time, four cushions and three socks.

How to play:

- Place the cushions randomly in a space. Place a sock on three of the four cushions, leaving one cushion empty.
- Time one minute.
- Collect one sock from a cushion and place it on top of the empty cushion. Then collect another sock from another cushion and place it on the new empty cushion. How many socks can you move in one minute?
- Play again, can you improve your score?

**Make this harder
by moving the
cushions further apart.**
