

Today you will be practising your inference skills.

You will need to look for clues in the picture to answer these questions. There isn't always a right answer, just a good reason for why you came to your response!

- Whose bedroom is this?
- What can you tell about his personality and interests?
- How old do you think the boy mouse is? Why?
- Which fairy tale do you think they might be reading?
- How long do you think they have been reading for?
- Do they read every night before bed?
- What is your favourite bedtime story? Has this changed over time?
- Do you prefer to be read to, to read aloud or read to yourself? Why?
