

This week's inference reading lesson is called 'First Flight'.

Look for clues in the picture to help you answer the questions. Don't forget to give reasons for your answers.

- How are the owls related?
- Which owl is about to take its first flight? How do you know?
- How does the young owl feel about flying?
- What might it be thinking? Add a thought bubble to the picture.
- Is the older owl worried?
- What advice might the older owl give to the younger one?
