

Tuesday challenge 2

Ron thinks he has £13

Is he correct?  
Explain your answer.

Explain the mistake.

£2, £4, £6, £7, £8, £10

What amount could go in the empty box?

	<	?	<	
--	---	---	---	--

How many different amounts can you find?  
List them.

Use a £20 note and coins to make 5 of the possible amounts.
